

ROYAL COLLEGE OF EMERGENCY MEDICINE

7-9 Bream's Buildings, London, EC4A 1DT

Training Standards Committee

E-portfolio Educational Supervisor details form

Use of the RCEM E-portfolio is compulsory for **Specialty trainees (StRs)** so that they can record and store key documents for progression through training. Each trainee must be assigned an Educational Supervisor for each year of their training. The Educational Supervisor must therefore be assigned on the system. Completion of this form provides the College with the information required to do this.

Personal details

Surname	
First name	
Title	
Emergency Department (name and address)	
Email
