## **RCEM examination closing dates**

2019 examination dates have been available on the College website since the summer. The application windows for 2019 have been increased to two months to maximise opportunity for candidates to apply.

The Examinations Department has received an unusually high number of requests for late applications for the FRC EM Intermediate SAQ and SJP examinations, which closed on 3 December 2018. Where failure to sit will have a direct impact on progression in training, accommodations have, to date, been made.

No further requests will be considered, and candidates are reminded that it is their responsibility to apply on time.
