

PREVIOUS RESEARCH EXPERIENCE

Please give an account of your overall experience in research relevant to
Emergency Medicine to date (maximum 3,000 characters)

**CONTRIBUTION TO EMERGENCY MEDICINE RESEARCH
IN THE PAST 12 MONTHS**

Please describe how your personal contribution to Emergency Medicine research over the past 12 months has been outstanding.

Include evidence of: (1) research design, delivery and dissemination; (2) work to build research capacity in Emergency Medicine; and (3) public and patient involvement and engagement activities. Clearly outline your contribution to each activity (maximum 6,000 characters)

Please submit your completed form along with your CV to Holly Lyons at events@rcem.ac.uk by Thursday 8 November at 17:00.
