

The small, rural or remote ED - Making it work Virtual study day

Date: Thursday 21 October 2021
RCEM accredited for CPD
GMC domains covered: 2 and 3
RCEM curriculum 2021 codes: CC8, CC15, CC23, CC25

The UK's remote, rural and small emergency departments present particular challenges in terms of workforce and sustainability. This study day aims to share best practice and equip delegates with the tools to manage these seemingly unassailable difficulties.

Objectives

- Workforce – who staffs our rural and remote EDs
- Models of Care – how do we link with our professional partners in providing care to patients in challenged systems
- Training – how do we train with insufficient trainers

Who should attend?

Cosultant
Nurse
Physician Associate/Advanced Care Practitioner/Advanced Nurse Practitioner
Specialty doctor/SAS Grade
ST1-3
ST4-7

CPD certificates will be sent to those who attended the live session ten working days from the end of the event.

Please note, you are required to attend the live event in order to receive your CPD certificate.
