

## Scottish policy forum

Date: Tuesday 16 November 2021

RCEM curriculum 2021 Specialty Learning Outcomes: 7, 8, 11, 12

### Learning objectives

The day involves talks and discussion around key policy issues and topics that affect all EM professionals as well as providing an opportunity to network with like-minded peers.

### Who should attend?

EM professionals at all levels and medical students.

### Certificates of attendance

Certificates of attendance will be sent to those who attended the live event ten working days from the end of the event. Please note, you are required to attend the live event in order to receive your certificate.

### What to expect

Log in instructions to join the live event will be sent to registered delegates during the week of the event. Registered delegates will have access to content for 6 months after the live date.
