PREVIOUS RESEARCH EXPERIENCE

Please give an account of your overall experience in research relevant to Emergency Medicine to date (maximum 3,000 characters)

How will this award build your *personal* research capacity?

Please describe how this award will help your personal development relating to clinical research. If your application is successful, how will the amount of job planned time you have for research increase? What organisation(s) have provided a commitment to fund your job planned research time and how long will this continue for? (maximum 3,000 characters)

How will you use this award to contribute to the objectives of RCEM and the NIHR Clinical Research Network?

Please describe how you will use this award to (a) deliver NIHR CRN research; and (b) increase research activity and capacity within Emergency Medicine, in line with the objectives of RCEM and the NIHR Clinical Research Network. (maximum 3,000 characters)

Please submit your completed form to Theo Chiles at theo.chiles@rcem.ac.uk
