GDPR Consent

At RCEM, we securely store assessor contact information in our database and share this information with trusts if they are actively arranging an AAC. This is done so trusts can contact registered assessors and invite them to attend their panel. Assessor contact information is solely stored and used for this purpose. Any trust provided this information is reminded this is the sole permitted use of this information.

In line with GDPR, we ask your consent to store and use your information as described above.

- RCEM will only store these details if your application is successful, and you become an assessor.
- If you are applying to be a one-off assessor, please confirm this in your application and select no for the GDPR consent. This will not impact your application and your details will not be stored/shared with further trusts.
- If you change your mind at any time, you can remove your consent and let our team know by email. RCEM will remove your details from our database.
- After you exit this role, your information will be archived for seven years and then deleted. If you wish for your information to be deleted before then, let our team know by email and your details will be deleted.

If you have any queries surrounding this, you can contact our team at any time before submitting your application.

If my application is successful, I consent to my information being used as detailed above	Yes / No	Comments:
